

# Baxter

# JOIN US

Join us on October 23<sup>rd</sup> in an interactive virtual symposium chaired by Professor Selman Uranues that will gather international experts in the field of HPB surgery. The panel will share the latest clinical evidence and their experiences managing surgical complex techniques and complications in liver, pancreatic and biliary tract surgery, as well as in endocrine and splenic surgery, and will provide insights into the opportunities to improve patient care.

## Advances in Preventing Complications in Hepato-Pancreato-Biliary Surgery

### October 23<sup>rd</sup> 2020 at 14.00 - 18.15 CET

#### 14:00-15:10

##### **Part I: Basics of complication-management in HPB surgery**

**Moderators:** S. Uranues [Graz], M. Montorsi [Milan]

Introduction: complications in HPB surgery - status quo  
S. Uranues [Graz]

Biomaterials and their usefulness in HPB surgery  
P. Slezak [Vienna]

Hemostasis in HPB surgery  
M. Montorsi [Milan]

Imaging of complications in HPB surgery - radiologic assessment  
E. Talakic [Graz]

Results of the "European Trial on POPF prevention"  
A. Fingerhut [Graz]

#### 15:10-16:25

##### **Part II: Pancreatic surgery**

**Moderators:** C. Bassi [Verona], M. Serradilla [Zaragoza]

Distal pancreatectomy - POPF prevention/treatment  
C. Bassi [Verona]

Tumor enucleation - how to prevent complications  
C. Molino [Naples]

Pancreatic neck resection  
A. Zerbi [Milan]

Pancreatoduodenectomy  
G. Ceyhan [Istanbul]

How to deal with anastomotic leaks  
T. Hackert [Heidelberg]

#### 16:25-17:10

##### **Part III: Liver and biliary tract surgery**

**Moderators:** A. Zerbi [Milan], G. Ceyhan [Istanbul]

Tips and tricks to avoid complications in liver surgery  
L. Sabater [Valencia]

Laparoscopic hepatectomy  
T. Hackert [Heidelberg]

ALPPS  
P. Schemmer [Graz]

#### 17:10-18:10

##### **Part IV: Endocrine and Splenic surgery**

**Moderators:** P. Schemmer [Graz], C. Bassi [Verona]

Endocrine surgery - prevention of bleeding complications  
P. Miccoli [Pisa]

Laparoscopic partial splenectomy - tips and tricks  
S. Uranues [Graz]

Complication prevention in hydatid splenic cysts  
G. Fragulidis [Athens]

Splenectomy in massive splenomegaly  
M. Serradilla [Zaragoza]

#### 18:10

Closing remarks  
S. Uranues [Graz]

#### SCIENTIFIC ORGANIZER

Selman Uranues

MD, Dr.[hon], FACS [hon], FEBS [hon]

#### SPEAKERS

Prof. Dr. Claudio Bassi

Prof. Dr. Güralp O. Ceyhan

Prof. Dr. Georgios P. Fragulidis

Prof. Dr. Abe Fingerhut

Prof. Dr. Thilo Hackert

Prof. Dr. Paolo Miccoli

Prof. Dr. Carlo Molino

Prof. Dr. Marco Montorsi

Prof. Dr. Luis Sabater Ortí

Prof. Dr. Peter Schemmer

Prof. Mario Serradilla

Dr. Paul Slezak

Dr. Emina Talakic

Prof. Dr. Selman Uranues

Prof. Dr. Alessandro Zerbi
